

**This is a modified, and corrected bid response for the 3<sup>rd</sup> Page. The change is to include the remedial excavation costs in the table format below per the bid language.**

## BID RESPONSE

(3<sup>rd</sup> Page)

Department of Commerce PECFA Program

**SITE NAME:** Sunoco Station (Former)  
**COMMERCE** 53575-2837-98  
**NUMBER:**  
**BRRTS NUMBER:** 03-13-315836

Consulting Firm phone number ( ) \_\_\_\_ - \_\_\_\_

A bid will be considered to be non-responsive if the bid response does not include separate tabulation of costs as indicated below.

1	Groundwater monitoring (include sample collection, sample analysis, water elevation measurement, waste disposal) per event	\$
2	Number of Monitoring events	2
3	Monitoring Subtotal (Row 1 X Row 2)	\$
4	Install ch. NR 141-compliant monitoring well for monitoring, pump and dispose of all wastes, and all other associated activities.	\$
5	Documentation (required reports, correspondence, etc.)	\$
6	Remedial Excavation – Provide cost estimate for an excavation of 60 feet X 105 feet X 8 feet depth, assume 1.5 tons per cubic yard for cost estimate purposes and provide total amount in both tons and cubic yard	\$
7	<b>Total Bid Amount (sum items 1-6) – also include on Page 1 of bid response</b>	\$
8	Monitor groundwater for one additional year, reporting, and waste disposal (includes all costs), in case more work is necessary.	\$
9	Provide unit rate for soil excavation and disposal on a per ton cost, in case more work is necessary (excluding consulting costs).	\$
10	Closure-related costs (including, but not limited to final well abandonment costs, closure form and narrative, GIS packet, deed restriction and maintenance plan).	\$
